Geo. W. Plummer—
Dear Sir & Bro—
Yours at hand and the contents duly noted. I am glad Dr. Edmond Beitz, 540 W. 146th Street N.Y. City, has asked to call. He can state to you the situation, and give you the names of other Martinists in N.Y. city, if such are still there. I wish we could instill a little activity into the Martinists. However, write me after your interview him, and I presume he will too

I shall enjoy an inter-
view with you later on.
on several matters of
interest to us both.

I will later on send
you some Moorish
Pamphlets. when I
Can get little time at
my residence to call
